

Virtual Resources for English Educators & Learners

**REGIONAL
ENGLISH
LANGUAGE
OFFICE**

U.S. Embassy, Ankara, Turkey

May 2021

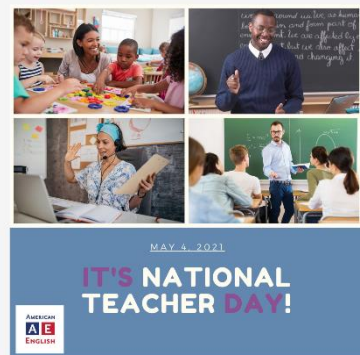

For English Educators:

American English for Educators Facebook Page

Description: The [American English for Educators Facebook Page](#) is an interactive platform aimed toward engaging English language teachers around the world with opportunities to reflect on their practice; we also aim to provide access to useful resources, creative teaching ideas, and professional development opportunities.

May's Theme: **Types of Learners**

<https://www.facebook.com/AmericanEnglishforEducators/>

Teachers' Corner Facebook Group

Description: The [Teacher's Corner](#) Facebook group is focused on supporting teachers. All teachers and educators are welcome! Please invite educators in your area to join.

May's Theme: **Summer Camps and Enhancement Activities**

This Week's Content:

We'll announce our May theme *Summer Camps and Enhancement Activities* and our new Expert Patrice Jones.

We will brainstorm some of the benefits young people might experience while attending a summer camp or program.

Our Expert Patrice will share 5 components of a high quality youth camp and offer her top considerations for planning a summer camp or program.

We will explore some helpful strategies for promoting a summer camp/program

Link to group: <https://www.facebook.com/groups/AccessTeachersCorner/>

American English YouTube Channel

Our [American English YouTube](#) channel is an outstanding resource for English language teaching and learning. The channel has a total **773 videos** divided into sections aimed at English language learners and English language teachers.

Featured Section: [For English Language Teachers: Deep Dives into Professional Development by Topic](#)

This newly added section features **15 thematic playlists**. Twelve playlists consist of our full-length professional development webinars organized by topic; three consist of short video clips that highlight teaching tips by topic.

Link: <https://state-low.box.com/v/YouTube-Playlists-for-Teachers>

Featured Section: Synonyms Part 2

What makes you feel happy? Do you consider yourself kind? Take a look at this video to learn some synonyms for happy and kind.

YouTube Link: <https://youtu.be/C9ORSNSqOXI>

American English Live: Teacher Development Series 11 begins on May 5, 2021! We'll focus on the themes of "Classroom Management for In-person, Online, or Hybrid Courses" and "Approaches to Teaching Grammar" during these six webinars for English language educators around the world.

Series 11 events take place every other Wednesday from May 5th through July 14th at 8 a.m. and 1 p.m. Eastern

Time from Washington, DC. To join these sessions, go to the @AmericanEnglishforEducators Facebook page (www.facebook.com/AmericanEnglishforEducators) at those times on the event dates. Check the local broadcast times in your region here: bit.ly/ChecktheTime

Registration is not required, but if you'd like to receive Series 11 updates and reminders, please complete this online form: <https://www.surveymonkey.com/r/2021WS11>

At the end of each free session, you can complete a short quiz to earn a digital participation badge!

e-Certificate

When you attend 4 out of 6 sessions, contact your Regional English Language Office or local U.S. Embassy: <https://americanenglish.state.gov/support-near-you-regional-english-language-officer-relo>

Presentation: American English Resources for Virtual or Face to Face Grammar Instruction

Presenter: Ellana Black

OPEN MOOCs:

English for Journalism, English for Media Literacy, Business & Entrepreneurship, English for Media Literacy for Educators (EML-E), Establishing Academic Writing Centers at International Higher Education Institutions, Assessment of English Language Learners ,& Using Educational Technology in the English Language Classroom, TESOL Methodology, Professional Development for Teacher Trainers

English for Journalism- Course extended!

English for Journalism is an OPEN MOOC for learners. It is designed for non-native English speakers who are interested in developing the skills needed for a career in modern journalism. Participants will learn about the history of journalism, how to research, pitch, and interview, writing for newspapers and magazines, and the basics of broadcasting news. This is a self-paced course. Self-paced MOOCs offer participants the opportunity to complete courses on their own schedule.

Participants can enroll in this course until **December 17, 2021**. Participants may log in and complete coursework at any time during the course. However, all coursework must be completed by **December 27, 2021** to pass.

Enrollment Link: <https://www.canvas.net/browse/fhi/courses/english-for-journalism>

Dates to remember

Enrollment closes: **December 17, 2021**

Course end date: December 27, 2021

+++++

English for Media Literacy

English for Media Literacy is an OPEN MOOC for learners. It is designed for non-native English speakers who are interested in improving their language skills and knowledge of the media at the same time. Participants will explore the world of advertising and identify targeted marketing strategies, analyze sources, detect bias,

and examine how diversity representation in media influences individual identity and society. This is a self-paced course. Self-paced MOOCs offer participants the opportunity to complete courses on their own schedule.

Dates to remember

Course Starts: May 3, 2021
Enrollment Closes: **December 17, 2021**
Course End Date: December 27, 2021

+++++

English for Business and Entrepreneurship

English for Business and Entrepreneurship is an OPEN MOOC for learners. It is designed for non-native English speakers who are interested in improving their language skills and knowledge of business and entrepreneurship at the same time. Participants will receive step-by-step guidance on the basic elements of starting up a new business. This is a self-paced course. Self-paced MOOCs offer participants the opportunity to complete courses on their own schedule.

Dates to remember

Course Starts: May 3, 2021
Enrollment Closes: December 17, 2021
Course End Date: December 27, 2021

+++++

English for Media Literacy for Educators (EML-E) -OPEN FOR ENROLLMENT

English for Media Literacy for Educators (EML-E) is an exciting MOOC designed to introduce you to the theory and practice of teaching about media literacy in the English as a foreign language (EFL) classroom. Through informative videos and practical readings, you will explore approaches for teaching English for media literacy that are not only effective but engaging and enlightening. You will learn theory and strategies necessary for successful media literacy instruction for students of various ages and levels of English proficiency. In the media literacy education context you will also gain new ideas for teaching students how to analyze, critique and communicate their thoughts in English. In addition, you will gain useful knowledge and resources that you can share with your education colleagues and others who are interested in this critical 21st century skill – media literacy. Through weekly participation in this MOOC, you will have the opportunity to share ideas with peers and apply course content to your teaching context. Get ready to learn about EML-E and be part of an international learning community with teachers around the world!

Enrollment Link: <https://bit.ly/MediaLiteracyforEducatorsMOOC>

Dates to remember

Course starts: May 3, 2021
Enrollment closes: **June 4, 2021**

Course ends: July 13, 2021

+++++

Establishing Academic Writing Centers at International Higher Education Institutions

In this course, provided by Iowa State University, participants will learn about the purpose and function of academic writing centers at higher education institutions. They will be introduced to guidelines for establishing and running a writing center in an English as a Foreign Language (EFL) context. In particular, participants will explore models for funding a writing center, best practices for hiring and training staff, writing center policies and procedures, and methods of promoting a writing center's services.

Dates to remember

Enrollment opens: **May 24, 2021**

Course starts: June 21, 2021

Enrollment closes: **July 23, 2021**

Course ends: August 2, 2021

+++++

Assessment of English Language Learners -OPEN FOR ENROLLMENT

This course is designed to help English-language educators improve their teaching practices by creating courses that have engaging, practical assessments tied to learning outcomes. Participants will learn about the principles of backward design and explore the main types of assessment for use in language teaching and learning. They will gain an understanding of how to select appropriate assessment types for different groups of students, and they will also have a chance to practice these new assessment techniques and reflect on the results during the course. This is a self-paced course, which will be open for 12 weeks. Participants can complete coursework at any time during these 12 weeks. The course has 5 modules; each module will require approximately 3-5 hours of work.

Dates to remember

Course starts: May 3, 2021

Enrollment closes: **July 16, 2021**

Course ends: July 26, 2021

+++++

Using Educational Technology in the English Language Classroom

This MOOC is provided by Iowa State University. This course is designed to prepare TESOL professionals to integrate language learning tools into their English language teaching. Participants will become aware of free technological tools, learn how to use these tools for language learning and teaching, and evaluate the appropriateness of a technology tool for their specific contexts.

Dates to remember

Course Starts: **May 31, 2021**
Course End Date: August 23, 2021

+++++

TESOL Methodology

This course, provided by the University of Maryland, Baltimore County (UMBC), is designed to provide you with current methodologies for teaching English learners (ELs) of different ages in many learning contexts. You will discuss and practice a wide variety of strategies and techniques for teaching English to speakers of other languages (TESOL). While exploring best practices for teaching listening, speaking, reading, and writing, including grammar and vocabulary, you will learn how to create an effective and communicative language classroom for all learners. In addition, you will examine what best practices means in the context of teaching English in the 21st century, where English is an international language, and the use of English incorporates modern technologies.

Dates to remember

Enrollment Opens: **June 7, 2021**
Course Starts: July 5, 2021
Enrollment Closes: **August 6, 2021**
Course End Date: August 16, 2021

+++++

Professional Development for Teacher Trainers

The Professional Development for Teacher Trainers MOOC is provided by Arizona State University. This MOOC, designed for both new and experienced teachers, gives participants methods for creating, presenting, and evaluating effective teacher training workshops. You will gain tools and techniques for promoting professional development in your teaching context. Through participation in this course, you will develop your skills for delivering engaging and relevant teacher training.

Dates to remember

Enrollment Opens: **June 7, 2021**
Course Starts: June 7, 2021
Enrollment Closes: **November 12, 2021**
Course End Date: November 22, 2021

New Bonus Article: [Lyric Videos: Sound, Image, and Meaning for English Language Learners](#)

Kristin Lems, an award-winning teacher, singer, and songwriter, describes the appeal of lyric videos in this article and offers teaching suggestions for using these music-based videos with learners of various ages and skill levels.

59/1 coming soon!

The final issue of 2020 is available on the [American English website](#). The issue (Vol. 58, No. 4) includes articles by teachers from, or with strong connections to, Madagascar, Tajikistan, Bangladesh, Switzerland, China, and the United States, and the My Classroom article is focused on a teacher in Libya. The articles cover, among other topics, the following:

- o tips for creating a bilingual thematic vocabulary workbook (particularly useful in low-resource environments, but applicable anywhere)
- o guidelines for assessing assessment
- o techniques for integrating writing and speaking
- o suggestions for using picture books with young learners
- o a step-by-step approach for using identity to introduce intercultural communicative competence

Kelle Paça & English podcast series by U.S. Embassy Turkey

ECA Podcasts:

ECA's podcast can serve as a teaching tool to help English language learners develop their language and critical thinking through stories. From native speakers from the United States to foreigners from around the world, students will have access to the diverse sounds of global English. Audio and transcripts for each episode can be downloaded directly from the website eca.state.gov/2233.

If you're developing creative ways to make use of the 22.33 podcast in the classroom or virtually, please reach out to share your experience with the ECA podcast team at ecacollaboratory@state.gov.

Additional Resources from UNESCO:

Digital learning management systems

- CenturyTech– Personal learning pathways with micro -lessons to address gaps in knowledge, challenge students and promote long-term memory retention.

- Paper Airplanes – Matches individuals with personal tutors for 12-16 week sessions conducted via video conferencing platforms, available in English and Turkish.
- ClassDojo – Connects teachers with students and parents to build classroom communities.
- Edmodo– Tools and resources to manage classrooms and engage students remotely.
- Google Classroom– Helps classes connect remotely, communicate and stay-organized.
- Moodle – Community-driven and globally-supported open learning platform.
- Schoology– Tools to support instruction, learning, grading, collaboration and assessment.
- Seesaw– Enables the creation of collaborative and sharable digital learning portfolios and learning resources.
- Skooler– Tools to turn Microsoft Office software into an education platform.

Systems purpose-built for mobile phones

- Cell-Ed– Learner-centered, skills-based learning platform with offline options.
- Eneza Education- Revision and learning materials for basic feature phones.
- Funzi– Mobile learning service that supports teaching and training for large groups.
- Ustad Mobile – Access and share educational content offline.
- KaiOS – Software that gives smartphone capabilities to inexpensive mobile phones and helps open portals to learning opportunities.

Massive Open Online Course (MOOC) Platforms

- Alison – Online courses from experts.
- Coursera– Online courses taught by instructors from well-recognized universities and companies.
- EdX– Online courses from leading educational institutions.
- University of the People- Online university with open access to higher education.
- Canvas – Lifelong learning and professional development for educators.
- Future Learn – Online courses to help learners study, build professional skills and connect with experts.
- TED-Ed Earth School – Online lessons about nature made available continuously during a 5-week period between Earth Day (April 22nd) and World Environment Day (June 5th)

Self-directed learning content

- Discovery Education– Free educational resources and lessons about viruses and outbreaks for different grade levels.
- Facebook Get Digital - Lesson plans, conversation starters, activities, videos and other resources for students to stay connected.
- Khan Academy– Free online courses, lessons and practice.
- LabXchange – Curated and user-created digital learning content delivered on an online platform that enables educational and research experiences.
- OneCourse– Child -focused application to deliver reading, writing and numeracy education.

- Quizlet– Learning flashcards and games to support learning in multiple subjects.
- Code Week – List of online resources to teach and learn computer coding, available in all EU languages.
- Discovery Education – Free educational resources and lessons about viruses and outbreaks for different grade levels.
- Duolingo – Application to support language learning. Supports numerous base and target languages.

Mobile reading applications

- Global Digital Library – Digital storybooks and other reading materials easily accessible from mobile phones or computers.
- StoryWeaver– Digital repository of multilingual stories for children.
- Worldreader– Digital books and stories accessible from mobile devices and functionality to support reading instruction.

Collaboration platforms that support live-video communication

- Dingtalk– Communication platform that supports video conferencing, task and calendar management, attendance tracking and instant messaging.
- Lark– Collaboration suite of interconnected tools, including chat, calendar, creation and cloud storage.
- Hangouts Meet– Video calls integrated with other Google’s G-Suite tools.
- Teams– Chat, meet, call and collaboration features integrated with Microsoft Office software.
- Skype– Video and audio calls with talk, chat and collaboration features.
- Zoom– Cloud platform for video and audio conferencing, collaboration, chat and webinars.
- ClassDojo – Connects teachers with students and parents to build classroom communities.

Tools to create of digital learning content

- Thinglink(link is external) – Tools to create interactive images, videos and other multimedia resources.
- Buncee– Supports the creation and sharing visual representations of learning content, including media-rich lessons, reports, newsletters and presentations.
- EdPuzzle– Video lesson creation software.
- Kaltura– Video management and creation tools with integration options for various learning management systems.
- Nearpod– Software to create lessons with informative and interactive assessment activities.
- Pear Deck– Facilitates the design of engaging instructional content with various integration features.
- Squigl– Content creation platform that transforms speech or text into animated videos.
- Trello -A visual collaboration tool used by teachers and professors for easier coursework planning, faculty collaboration, and classroom organization.
